TheOne Medical Solution

Health is the most precious treasure in life which deserves the greatest defence. Your current peaceful, enjoyable life can be disturbed by unexpected illnesses. Despite the ever-increasing medical costs, we all want to ensure we can enjoy high quality medical services at different life stages without impact to our quality of life. TheOne Medical Solution (the "Plan") offers you comprehensive medical coverage that gives you a peace of mind.

Comprehensive protection throughout life

To ensure you have an all-round protection during your life's journey, the Plan provides a Lifetime Limit of up to HK\$100 million¹, including a range of hospitalization and surgical benefits, as well as providing First-dollar Coverage – Deductible Waived for Designated Critical Illness². What's more, it provides reimbursement for your regular health screen³. Hospitalization and surgical benefits include daily hospital accommodation in a Standard Private Room⁴, surgery fees, physician's visit and specialist's fees, etc.

9 different plan options to fit your specific needs

The Plan provides 3 different types of plans that cover 3 different geographic areas. Furthermore, 3 Annual Deductible⁵ options (HK\$0, HK\$40,000 and HK\$80,000) could be chosen to tailor your most ideal life protection. For example, Premier Plan with HK\$0 deductible could provide a worldwide full medical coverage to you. If you have employer-sponsored medical coverage and are looking for additional medical coverage in Asia, our Standard Plan with Annual Deductible⁵ of HK\$40,000 or HK\$80,000 may satisfy your needs.

First-dollar Coverage – Deductible Waived for Designated Critical Illness Benefit²

Heavy stress and unhealthy habits raise the risk of suffering from critical illnesses. In Hong Kong, 1 out of every 4 men or 5 women is diagnosed with cancer before the age of 75⁶. Critical illnesses may cause an unexpected financial burden on you and your family. The Plan is focused around your concerns and needs, offering First-dollar Coverage – Deductible Waived for Designated Critical Illness² to ease your and your family's financial stress due to related medical expenses (The amount of benefit is subject to applicable Annual Limit, Lifetime Limit and limits for specific benefit items). The Plan provides protection for your family as well as your health.

Tailored extra benefits

In the event that the insured needs specific treatments and organ transplantation to receive better medical services, on top of its original Annual Limit, the Plan provides additional Annual Limit of up to HK\$2 million to cover medical expenses of organ and bone marrow transplantation, chemotherapy, radiotherapy, immunotherapy, target therapy, cancer hormonal therapy, proton therapy and kidney dialysis⁷.

Lifetime renewal privilege for peace of mind⁸

The lifetime renewal privilege of the Plan takes away your concern over policy discontinuity due to old age and changes in health conditions. Regardless of any significant changes in your health, financial condition or claim history, FWD will renew your policy until the age of 100 (Age Next Birthday)⁸ of the Insured, subject to the continual availability of the Plan, terms and conditions applicable, the benefits and the prevailing premium rates of the Plan at the time of renewal. Benefits and premium are not guaranteed and subject to change by FWD.

Flexible protection aligned to your future needs

Your needs vary as you go through different life stages. The Plan enables you to switch to a lower Annual Deductible⁵ option once (per lifetime) when you turn 50, 55, 60 or 65 (Age Next Birthday) without the need to provide proof of insurability⁹, meeting any changing needs in the future for protection.

All you need to do is call our 24-hour emergency assistance hotline to enjoy round-the-clock worldwide support and assistance provided by International SOS¹⁰ 24-hour Worldwide Assistance Services that includes phone medical advice, emergency medical evacuation and repatriation of mortal remains, etc.

What are the key product risks?

Credit risk

This product is an insurance policy issued by FWD. The application of this insurance product and all benefits payable under your policy are subject to the credit risk of FWD. You will bear the default risk in the event that FWD is unable to satisfy its financial obligations under this insurance contract.

Exchange rate and currency risk

The application of this insurance product with the policy currency denominated in a foreign currency is subject to that foreign currency's exchange rate and currency risk. The foreign currency may be subject to the relevant regulatory bodies' control (for example, exchange restrictions). If your home currency is different from the policy currency, please note that any exchange rate fluctuation between your home currency and the policy currency of this insurance product will have a direct impact on the amount of premium required and the value of benefit(s) to be received. For instance, if the policy currency of the insurance product depreciates substantially against your home currency, there is a negative impact on the benefits you receive from the product. If the policy currency of the insurance product appreciates substantially against your home currency, your burden of the premium payment is increased.

Inflation risk

The cost of living in the future may be higher than now due to the effects of inflation. Therefore, the benefits under this policy may not be sufficient for the increasing protection needs in the future even if FWD fulfills all of its contractual obligations.

Premium adjustment

The premium is non-guaranteed and will be determined annually based on the age of the Insured on his or her next birthday at the time of renewal. The premium may increase significantly due to factors including but not limited to age, claims experience and policy persistency.

Premium term and non-payment of premium

The premium payment term of the Plan ends on the policy anniversary immediately preceding the Insured's 100th birthday.

FWD allows a Grace Period of 30 days after the premium due date for payment of each premium. If a premium is still unpaid at the expiration of the Grace Period, the Plan will be terminated from the date the first unpaid premium was due. Please note that once the Plan is terminated on this basis, you will lose all of your benefits.
